

## The Journey Continues ... 20 Years Of Lotus Healing Seva Group

BY SIKILADI

Their name speaks it all; Lotus Healing Seva Group (LHSG) true to the name has continued steadfastly on a spree of seva activities to mark their 20th year. "We are a seva oriented group and we celebrate by doing more seva, says Kamal Tolia, the Grand Reiki Master and founder of the group.

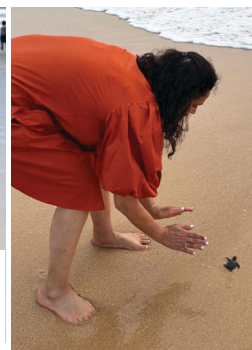

The activities were spread across various countries in February. From the very

young and older members proving their unconditional love for the voiceless creatures, to giving touch healing to the ailing and elderly members of the society members and caring for nature and gifting the world with some new Reiki healers it has been various opportunities to express their Seva Bhav (willingness to serve) that has engaged the LHSG throughout the month.

Pictures speak what the words cannot, hence the pictures here explain a lot more about the various activities.
